# **Emmanuel College Freshers 2017**

## **FOREWORD BY THE SENIOR TUTOR**

This programme is designed to welcome you to Emma and help you feel at home as possible. Your primary purpose for being here is to gain an education, but you might be forgiven for losing sight of that in the flurry of social activities on offer over the first few days. However, on Thursday morning your working life will begin in earnest so enjoy yourself in the first few days and try to be fresh, alert, and ready to begin well on Thursday.

We hope you will enjoy the programme that has been arranged for you and that it will lay good foundations for your forthcoming study.
