

## ROAR EXCLUSIVE Emmanuel Life Hacks

- It's a well-kept secret, but if you head down to the basement of J staircase in Hostel in daytime hours on weekdays, you can get your laundry done completely free of charge. WHO KNEW?!
- Late night out? Had to sleep on the streets after plodge closes at 12? Many don't know this but there's a hidden entrance to college just after Savino's. Some have been heard calling it the "hobbit hole" - ROAR loves this!
- Looking for some extra space in which to work and/or sleep? There's an unused room in North court Y staircase. Speak to Carly Enright or Elliot Mack for details. (Rumour has it Blantyre 13 will be empty next year as well so keep your eyes peeled!)
- Tired of having friends? Nothing to do between 6am and 8am? Conversations too varied? Head down to the boat house next term, take up rowing, and see your social life crushed in one fell swoop.
- Feeling unpopular? Join the ECSU & ECSU Committee posts facebook page for a guaranteed 48 notifications per day. Some of them are even INTERESTING!

## Introducing your resident (college) Agony Aunt...

### MADAM MIDDELL

#### CONCERNED READER

Darling Madam Middell, slight bit of an issue this week - getting me in a bit of a tizz if I'm to be frank. Basics, everyone seems to think you are me. It's really getting me down. Is there any way we can work together to dispel this myth? Thanks, in desperation, Molly Biddell.

#### MADAM MIDDELL:

How dare you. You insolent, little \*\*\*\*\*. I mean honestly. You should be freakin' flattered, woman. People would pay for my appearance. And here you are shunning the opportunity to be thought of as the illustrious, trustworthy and honest Emmanuel college agony aunt. Never write into my column again, you insolent, little \*\*\*\*\*.

#### Ballot Recap:

- "I like my room, it's cosy. So easy to decorate and very efficient to work in since everything's at arms length from the desk. It will also help me become more sociable, because I'll leave the room more. I will quite literally have to leave whenever I need to stand up straight or breathe." - Future resident of Kleenex Corridor
- Commiserations to Daniel Rasbash who was pipped to the post by Dame Fiona for the Master's Lodge in this year's balloting extravaganza. Some suspect foul play in the ballot picking since this is the fifth year on the trot dame Fiona has secured the top spot. Revered mathmo Omri Faraggi explains the odds of this occurring are "like one in a zillion" - who's a lucky ducky!?

## Who wore it better?

### Quack Oliver or Will Mall(ard)

#### What is Green Officer Maddy Clifford's favourite colour?

Green. The environ-ent. This Thursday. In the bar.

Wait is that even a colour? No it's a plug. One for your bath.

# ROAR!

We tried really hard to put a really pretty picture in this week.

But it didn't work. So there we go. Deal with it.

ROAR would like to thank Emily Patricia Robb for her poetic contributions this term.

## CUSU ELECTIONS ROUNDUP!

### *CONNOR MACDONALD - THE BOY WHO CRIED 'VOTE FOR ME'?*

In a public announcement today, Connor Macdonald, who stood successfully to be NUS Student Delegate in the CUSU elections this week, announced that "I have no idea who started this campaign. Just like my unsuccessful bid for ECSU President... um... \*wipes sweaty forehead\* I mean like when someone did a fake campaign for me to stand as ECSU President last term, I was not responsible for the leaflets or facebook spam over the last few weeks." When pressed on the fact that he shared promotional material on his private facebook page, Connor replied, "I guess they are hackers, cyber-terrorists. That's the only explanation. It definitely wasn't me! Either time! \*gulps suspiciously\*" Here at ROAR we are still left pondering the question "what even is an NUS Student Delegate anyway?". And when will Connor's political pranksters strike again?

### *SOPHIE BUCK - GOT YOUR BACK*

In a shocking turn of events, Sophie Buck's campaign slogan "Buck has got your back" has been found to have a sinister literalism. Several members of Emmanuel College have reported missing spinal cords this week, and Ms Buck has been found responsible. When questioned on the matter, Buck replied "I HAVE YOUR BACKS! I HAVE THEM! IT'S CUSU-SANCTIONED NOW!" The sad truth of the matter is, she's right. With CUSU sanctioning, there's nothing we can do to regain our vertebrae...

Apologies for Adam's  
awkward box formatting  
last week.
